Rickshaw to Grilleriet and cooking dinner in Grilleriet

Cooking course on a grill

Going through Copenhagen by Rickshaw will make you feel that you are one of the locals; most Danes use the bike as transportation when they move around the city. In a rickshaw you will get the opportunity feel the atmosphere and the life around Copenhagen while seeing the major sights of the city.

Grilleriet is just the right place for a person who appreciates high quality food and wine. The atmosphere is there, the aroma in the air makes it simply impossible not to feel welcome and in a good mood. After a nice welcome drink the group will be divided into smaller groups and then let the competition begin.

Who makes the best plate?

We guarantee an unforgettable evening and promise new ideas for your cooking at home. Professional cooks will be ready to give you a hand and the challenge will be big. Have a great evening
