On arrival in Queenstown it's a short 20 minute transfer from the airport to your hotel. Your private check in completed and guests are invited to partake of lunch and beverages of your choice.

Queenstown, New Zealand, is the Southern Hemisphere's premier four-season lake and alpine resort. Surrounded by majestic mountains and nestled on the shores of crystal clear Lake Wakatipu, Queenstown's stunning scenery is inspiring and revitalizing.

Queenstown has captured hearts since the first Maori came in search of pounamu (greenstone or jade) and to hunt the giant Moa bird, and that same magic remains today. Now an established international four-season resort, it is unsurpassed for the diverse number of experiences on offer, its exceptional quality and its friendly accommodating people.

Queenstown is pure escapism, where the limits stop and the people take over. Adventurers, golfers, walkers, film-makers, leisure lovers, fishing anglers, artists, wine enthusiasts.... the list is endless.

The hospitality desk is set up at the hotel to assist guests – it will be available to them for the remainder of the afternoon. The afternoon is at leisure to freshen up and take a walk before dinner.

Gorgeous bay windows look out to the potager garden and French doors make a dramatic entrance to the stunning courtyard and pavilion. Our large croquet lawn and grounds are perfect for welcome drinks and canapés, allowing your guests to socialize and relax before the main event. For that spectacular arrival, we also have on site our own helicopter landing pad
