On arrival at Cape Town International Airport, proceed to the awaiting luxury coach and take a scenic drive through the rolling winelands to your hotel in Stellenbosch – South Africa’s second oldest town and renowned for its University, oak-lined streets and beautiful old Cape Dutch architecture buildings. Ouwe Werf has defined hospitality and fine cuisine for over a century.

A full day tour of the beautiful Cape Winelands in the Stellenbosch, Paarl and Franschhoek regions.

Visit two small, exclusive wine estates for a cellar tour and private wine tasting of some fine South African wines.

We would suggest a sumptuous picnic lunch at a wine estate en route (not included in the quotation, but this could be added as an additional service).

Return to the hotel in the later afternoon to freshen up before transferring to a fine local restaurant for dinner. Return to the hotel in the late evening.
