09h00 – Enjoy a full day 'Safari Blue' excursion using locally made traditional sailing dhows. These passenger-carrying dhows are fitted with outboard engines, marine VHF radios, gas inflatable life jackets, sunshade, boarding ladder, waterproof bags and first aid kit with DAN oxygen unit.

The excursion starts at the fishing village of Fumba, 30 minutes drive from Stone Town. Fumba is situated in the southwest corner of the island and is an ideal starting point to explore Menai Bay, designated a Conservation Area. The bay has a number of beautiful, uninhabited islands and sandbanks and is often frequented by humpback and bottlenose dolphins.

Later in the morning stop on a sandbank. Guides, who can safely lead the snorkelling session and show points of interest, accompany you. For beginners or those who are not confident swimmers, there are inflatable snorkelling vests and the guides can give tuition.

12h30 - After snorkelling sample a fresh green coconut before sailing to another sandbank for lunch which is a traditional Zanzibari meal followed by fruit tasting, with a selection of different tropical fruit. Coffee and Amarula liqueur are served after lunch. Cold drinks are available throughout the day.

When the tide allows, visit a beautiful mangrove lagoon where it is possible to swim through the mangrove forest.

There are no formal changing facilities at Fumba so please put on your swimming wear under your clothes.

Bring waterproof shoes for boarding the dhows and bring towels, sunscreen and a spare T-shirt for snorkelling.

18h00 - Return to Fumba by sail boat and arrive back to your resort in time to see the colourful African sunset.

19h00 – Enjoy dinner at the resort.
