The Zambezi Trader is a luxury passenger ship situated on one of Africa's most beautiful lakes, Lake Kariba on the Zambezi River between Zambia and Zimbabwe. The Zambezi River has mesmerized and challenged travelers for many years from David Livingstone to the white water adrenalin adventurers. A portion of the mighty river was dammed in 1959 - producing one of the world's largest man-made lakes. Its waters provide enthusiasts with phenomenal fishing with its southern shore offering stunning savannah wilderness teeming with magnificent game, from frisky impala to the indomitable elephant.

The Zambezi Trader can carry up to 150 guests on a day trip or sleep 50 guests in its 23 Cabins. The ship is ideal for wedding or birthday celebrations and conferences or just gathering of friends and family for a fabulous holiday cruise. Passengers can disembark at any of the lodges along the lakes shore, taking advantage of the many activities that the lake has to offer, including fishing, game viewing and walking photographic safaris. We offer flexible packages including; transfers, day cruises and incentive corporate conferences.

The ships open fresh air design together with its large verandas is inclusive for a fun filled true Kariba experience. The Zambezi Trader's excellent facilities will assist her passengers in experiencing a wonderful cruise while taking advantage of some of Africa's most spectacular destinations. Our friendly and helpful staff will make sure that your every need is taken care of. We look forward to welcoming you onboard.
