Lunch and check-in at The A'Zambezi River Lodge

A'Zambezi River Lodge is on the banks of the Zambezi river 4 km upstream from Victoria Falls. The Lodge borders the Zambezi National Park.

This informal hotel has a semi-circular thatched structure and has a swimming pool with poolside barbecues.

There is a shuttle service available to and from Victoria Falls town itself several times a day so the distance from town is not a problem. Being so close to Zambezi National Park and on the banks of the river allows A'Zambezi Lodge to offer a true African experience at affordable prices. Warthogs, Monkeys and the occasional elephant are part of the backdrop to A'Zambezi.
